

Fall Soccer - 2006

Team Registration Information

Welcome to the 2006 Fall Soccer season. Information about the fall league, registration procedures and important dates are listed below. If you have any additional questions contact the Athletics office at 682-5409.

Registration Procedure

- ☐ Fill out your team roster. Teams must have a minimum of 12 players (8 for seven-a-side teams) on their roster. Official team rosters must be submitted at the time of registration. Please check to make sure that the roster is completely filled-out, otherwise it will not be accepted. ****ALL players MUST sign the team roster.**
- ☐ Fill out the League Classification sheet. In order to create a balance within each soccer league, teams must complete the classification sheet and submit it at registration. The Athletics staff will review the classification sheets and place the teams into the appropriate leagues. If necessary, the Soccer Advisory Committee will be consulted.
- ☐ Bring your roster, classification sheet and total league fee to the Athletics Office, 2700 Hilyard Street (Amazon Center) on the proper date and time.

Registration Dates

Returning teams:	Tuesday & Wednesday	August 15-16	9:00 a.m. - 6:00 p.m.
New teams:	Thursday	August 17	9:00 a.m. - 6:00 p.m.
Deadline:	Friday	August 18	6:00 p.m.

All registrations after Wednesday are on a first-come, first-served basis provided there are openings available.

Is your team a returning team? If you have six or more players from a team that played last fall (Fall Soccer 2005) then you are considered a returning team. If a team splits in two, contact Janet or Dave for clarification on which team will be considered the returning team.

Returning teams that register on Tuesday or Wednesday, August 16-17 are guaranteed a spot in the program as long as the same facilities are available as the previous spring season.

Teams misrepresenting themselves as a returning team will receive last priority after Thursday's registration. Returning teams registering after Wednesday do not have priority over new teams.
